WE GROW BRANDS

THROUGH MARKET INTELLIGENCE

Combining category focus and portfolio selection, channel insights and access, on-the-ground expertise, trend monitoring, and partnerships (e.g. GfK).

& SERVICE EXCELLENCE

Built on automation at scale, a data & AI backbone, pan-European infrastructure, and retail activation & brand marketing.

WWW. AQIPA. COM

Whether you are a retailer or a brand, our comprehensive range of services will give your business the boost it needs.

Our online B2B store allows any retailer to access our full assortment. Download images, check stock-availability or - if you have set up your personal account - order directly and conveniently from your desktop.
